

# FREE Females Spay for Pit Bulls & Pit Bull Mix

**For the Love of  
Pits...  
Get Them Fixed**

The Lumpkin County Animal Shelter has partner with, Animal Birth Control/Pet Vet Clinic, and Friends of L.C.S.Animals, to present this Special Program.

**FREE Females** Spay for Pit Bulls and Pit Bull mix type dogs.

Why are we doing this?

Far too many Pit Bull type dogs are entering shelters across the country, and not enough are able to find the home that they deserve.

By offering this service, we hope to make a significant reduction in the number of Pit Bull type dogs that come into the shelter.

For more information on how to sign up and to see if your animal qualifies for this service, please call the Lumpkin County Animal Shelter at 706-867-7297

Spay/Rabies certificates may only be redeemed at Pet Vet Clinic, 4360 Martin Road, Cumming Georgia; no surgeries are performed at the Lumpkin County Animal Shelter.

\*Please note that this program is intended to assist individual, private pet owners. Under the constraints of the donation, rescue groups and other shelters are not eligible for this service

**Special Thanks To:**

**Tracy W Land, DVM**
